2022 PROPHECIES BY BISHOP EPHRAIM IKEAKOR.

..."Believe in the LORD your God; so shall ye be established. Believe His prophets; so shall ye prosper." (2 Chronicles 20:20).

And by a prophet the LORD brought Israel out of Egypt, and by a prophet was he preserved.
(Hosea 12:13)

2022 PROPHECIES BY BISHOP EPHRAIM IKEAKOR

1. 2022 is a year that true children of mine will survive and excel not by their effort, but by my unusual and triumphant grace.
2. 2022 the world will ridicule and deride all who will preach and practice righteousness, godliness, and uprightness.
3. 2022 people will pursue and celebrate darkness and they will abhor and reject the light.
4. 2022 is a continuation of 2021 in turbulence, great shaking, and global uncertainties.
5. I have not finished my projects against the ruling class, I the Lord will terribly harass them with disaster, diseases, and death. Unless they change their ways and listen to the cries of the people.
6. Many of my children will betray me and abandon me from this year.
7. I will not fail those who will decide not to fail me this year.
8. My children the three weapons for survival for you this year are:
 - a. Righteousness
 - b. Aggressive prayers
 - c. Persistent faith.
9. This year, I will judge all bloodshedders and bloodletters in your land this year.
10. Tell those, who think that human knowledge will save them that without me they can do nothing. Tell them, give me back my world and I will give back my peace, healing, and prosperity to the world.
